Acquisition Update #4

Ames Multiple Award Construction Contract (MACC) II

Below is an email I sent to all the interested parties contact persons I have at this time for the MACC II. If for some reason you did not get an email, please send me an email (see below contact information) and I will add you/your company to my list.

Hi all MACC II Offerors,

I hope this finds you all well. This is just a touch bases email. I wanted to remind you all that the solicitation that is out right now NNA12450885R-PFM, is just a DRAFT. I am working very hard to get out the FINAL and expect to put it out very soon. Since I have not put out the FINAL, the dates for the Questionnaires and the PROPOSAL due dates have not been set yet. If for some reason your project companies have sent in the Questionnaire then they may need to resend (IF the questionnaire was changed). When the FINAL has been released check all the posted documents (RFP and attachments) for changes.

Please keep your eyes open for the release of the FINAL RFP
